2025 Impact Report

Letter from Camp Sunshine's Board Chair, Board President and President & Chief Executive Officer

As we reflect on another incredible year at Camp Sunshine, it remains clear that every milestone and memory was made possible by your generosity and a shared belief in our mission.

Each day, we are reminded of the power of this community as we witness moments of hope, joy, and connection that make a lasting difference in the lives of the children with life-threatening illnesses and families we are privileged to serve.

Throughout the past year, we welcomed thousands of family members from around the world to our beautiful campus on Sebago Lake.

Families attended sessions of varying lengths where they had the opportunity to solidify and renew their own

relationships while meeting others facing similar challenges.

Whether family members were looking to try a new activity, connect with others, or just relax, each person who attended Camp got something different and important out of their experience.

Your gifts cover lodging, meals, activities, travel, and medical oversight. You are giving these families not just a break from the financial and emotional burdens they carry, but the gift of community, understanding, and hope.

Thank you for being such an essential part of the Camp Sunshine community.

Our Mission

Camp Sunshine provides hope, joy and community through unique experiences for children with life-threatening illnesses and their families. At our pristine campus on Sebago Lake in Casco, Maine, more than 60,000 children, siblings, parents and caregivers from all 50 states and 27 countries have come together for fun-filled, year-round sessions with families just like theirs. And, thanks to the incredible support of donors and volunteers, our programs are 100% free. Camp Sunshine is where families can focus on recharging, together, in a safe space with medical support available. Camp Sunshine is where families discover a community who understands.

Camp Sunshine is where families find family.

Congratulations & Thank You, Jenny Edwards!

In October 2025, after decades of service to Camp Sunshine, Jenny, our head of hospitality retired! Jenny is leaving behind a legacy of compassion and care.

A Year of Community in Action

At Camp Sunshine, the mission never pauses with the changing of the seasons. Throughout 2025, Camp Sunshine remained a vibrant, year-round community for children with life-threatening illnesses and their families.

Each session held throughout the year represented far more than a week at Camp. It created opportunities for families to build lifelong friendships, celebrate milestones, connect with others who truly understand their journey, and simply enjoy time together in a supportive, uplifting environment.

This work is only possible because of the extraordinary dedication, generosity, and creativity of supporters who rally their communities on Camp Sunshine's behalf.

The snapshots featured on these pages highlight just a selection of the sessions, signature events, fundraising campaigns, partner visits, collaborations, and special projects that took place in 2025. Each effort played an important role in sustaining Camp Sunshine's programs and ensuring children with life-threatening illnesses and their families can continue to experience connection, joy, and hope.

Winter Session Notes of Gratitude

Our week at Camp Sunshine has provided us a respite from "the Real World." It gave us the opportunity to spend quality time together as a family. We loved having a change of scenery. We also enjoyed connecting with other families. Even though all our journeys are different, it's nice to know we aren't alone.

One thing Ben really had his heart set on was learning to snowboard. I promised him during treatment that when he got his port-a-cath out of his chest, he could take lessons. So when we heard Camp Sunshine had a winter session, and that donors made it possible for families to take a ski trip to Pleasant Mountain for lessons, it seemed like it was meant to be. Ben spent all afternoon "shredding" up the mountain having a blast, smiling ear to ear. We will forever be grateful for this experience. Thank you for being part of what makes these precious moments happen for families like ours.

Kiwanis Polar Dip | February 1, 2025

Polar dippers from near and far celebrated this heart-warming tradition all February long by safely taking the plunge virtually! Thank you to the Kiwanis Club of Tysons, VA for their continued support, as well as every polar dipper, volunteer, and community member who supports this beloved fundraising event.

New Jersey Polar Dip | February 15, 2025

Camp Sunshine's signature event, the New Jersey Polar Dip once again made a splash in Long Branch raising critical funds and awareness for our mission. Thank you to event hosts, the Wave Resort, the City of Long Branch, and a big thank you goes out to our 2025 top fundraising team, Wolfpack!

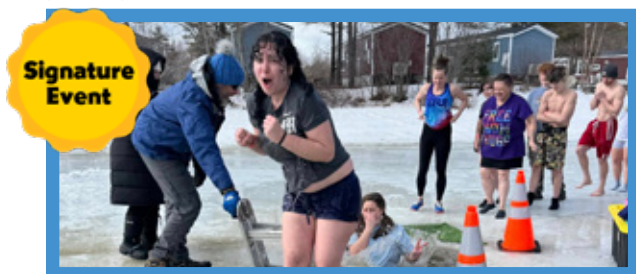

Ski for Sunshine | March 1, 2025

Kennett High School and Camp Sunshine's annual Ski for Sunshine fundraising event always "lifts" our spirits! Congratulations to the event's top fundraising team, the "Sunshine Slayers"! A special thank you goes out to Cranmore Mountain Resort, Kennett High School Key Club students and advisors, all our generous sponsors and participants!

Central New York Polar Dip | March 1, 2025

The incredible students at Bishop Ludden Junior-Senior High School made the 2025 Central New York Polar Dip a huge success!

Maine Polar Dip & Winter Festival | March 8, 2025

This signature event brought Camp Sunshine families, volunteers, staff members, corporate partners, and community supporters together for a quick dip in Sebago Lake! Congratulations and thank you again to this event's top fundraising team, Team Chunky Dunk!

NAPA Egg Ride | March 8, 2025

Long-time corporate partners, NAPA, know how to get crackin' and raise funds for Camp Sunshine – all while having a blast! This hilarious event requires participants to fill their snowmobile suits with jello eggs and take a quick snowmobile ride around ice-covered Moosehead Lake! "Egg-cellent" job, everyone! Thank you to NAPA for their continued support.

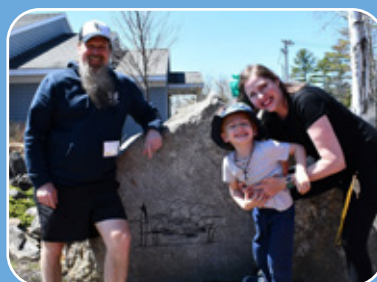

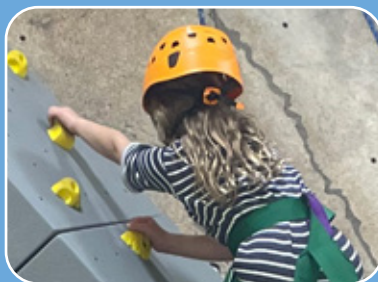

Ochsner Children's Send-Off Party

Joanne Bean, Camp Sunshine's President and Chief Executive Officer, had the honor of joining the team at Ochsner Children's in Louisiana in late February 2025 for a special send-off party for families heading to Camp Sunshine for this new session happening March 3-7, 2025. At this session, Camp Sunshine welcomed 90 family members from Louisiana for an unforgettable experience, completely free of charge. Thank you again to the entire team at Ochsner Children's as well as Gayle Benson, owner of the New Orleans Saints and New Orleans Pelicans for her generous support in assisting with transportation costs for families.

Thank for generously supporting Camp Sunshine! This was our first experience at camp. We were blown away by the facilities, but it was the People - both Campers and volunteers - that made a huge impact. We made memories, connected with other families affected by Childhood Cancer, and spent time as a family. It was healing to our bodies and souls.

Beyond the support for us as parents, Camp Sunshine also provided a valuable experience for Tobias' two younger brothers. They were able to participate fully in the activities and create joyful memories and meaningful connections. This week away offered a much needed break and a chance for all our Children to experience what it's like to be a kid at camp. Your generosity has had a tangible and lasting impact on our family. Thank You for Your Commitment to Camp Sunshine and the light You bring to families like ours.

Celebrating Legendary Partners, Texas Roadhouse!

Over the past 15 years, Texas Roadhouse has raised 1.5 million dollars for Camp Sunshine. Texas Roadhouse has given hundreds of families the opportunity to participate in Camp Sunshine sessions throughout the years. On May 5, 2025, 140 dedicated 'Roadies' were on campus volunteering their time and helping with a variety of projects to prepare for our upcoming sessions.

Dan Cairl and Michael Halpern, Market Partners from Texas Roadhouse also presented Camp Sunshine with a \$200,000 check reflective of their market's 2025 fundraising campaign. In celebration of this milestone moment, Camp Sunshine officially named Family Suite 25 in honor of Texas Roadhouse.

Texas Roadhouse sponsored our Diamond Blackfan Anemia session, and they prepared a delicious meal for Parents' Dinner, as well as preparing a BBQ lunch. Every table at Parents' Dinner was served by a Managing Partner from Team New England. These are the people who rally their local restaurant to raise money for Camp Sunshine's mission every spring!

There was also a very special "Roadie" in attendance named Kaitlynne Russell. Kaitlynne is a Senior Service Manager at the Plymouth Texas Roadhouse and she was the top fundraiser in market history! Plymouth raised more than \$54,000 for Camp Sunshine thanks to Kaitlynne and her team's hard work and dedication.

Thank you again, Roadies!!

This experience has been a fantastic family escaper from the day to day grind. The staff, volunteers, nursing students, doctor and nurses are top notch, energetic and full of joy. They genuinely care about all the kids and family here and it shows. We enjoyed tons of for activities, this beautiful facility and no dishes for a week!

At camp, we have laughed more freely, connected more deeply. I healed more quietly than we ever expected. We've spent our days kayaking on the lake, swimming, making crafts, sharing stories, and simply being present with other families who truly get it. Our daughter has made friends who understand her journey without needing to explain it. She's felt proud, seen celebrated not for what she's been through but for who she is. We've learned so much from the strength + wisdom of other families. We've been uplifted by staff & volunteers who give with so much warmth & love. We experienced something very powerful: a week when cancer does not define us.

Giving Tuesday | December 2

Thanks to the kindness and generosity of our incredible community, our Giving Tuesday goal was surpassed! Over the past year, the cost of nearly everything we rely on to welcome children with life-threatening illnesses and their families has increased, from more transportation assistance requests, to program supplies and activities, to utilities that keep our campus warm, safe, and comfortable. Our matching donors understand that many in our community wait for this day to make their annual gift, knowing their impact will be doubled. Thank you again to our matching donors and everyone who gave to this initiative in 2025.

Memory Quilts

Finding support and resources after a family experiences the death of a child is limited or in many cases, nonexistent. The grief is lifelong, and yet, resources are often short-term. Camp Sunshine is a place where families can find community, even in grief.

Bereaved families are often left with drawers full of clothing they cannot part with. At Camp Sunshine, there's a special part of our bereavement sessions we call Memory Quilting, where every family is paired with a volunteer quilter.

Families and volunteer quilters work together throughout the session to design a memorial keepsake out of fabric chosen to depict the life of the child, incorporating the child's clothing and photos. The families leave Camp Sunshine with a preserved, tangible memory of their loved one that they can physically and emotionally connect with.

"Through the hard work and dedication of many people, Camp Sunshine can continue the tradition of making sure each family leaves with a truly beautiful and special quilted project celebrating their child," said Stephanie Feyler, Camp Sunshine's Vice President of Program Operations and New Business Development.

To ensure the ongoing success of this very special quilting program, Camp Sunshine has an ongoing need for common quilting supplies including tone-on-tone 100% cotton fabric, quilting tools, fabric markers and cotton thread. Our volunteers would also love to enhance the program with a

long-arm sewing machine and standard sewing machines. All donations large and small, that will enable this program to continue to flourish, are needed and greatly appreciated.

Sunshine That Stays With You

by Addy Keaveney and Ava Newman
Noble and Greenough School Students & Camp Sunshine Volunteers

Volunteering as counselors at Camp Sunshine this past Summer with our classmates has remained one of our most cherished experiences. We could never have predicted the impact that these few days would have on our lives, or how much this short trip would mean to us, even long after we left. We loved every moment spent with the families at Camp and are so grateful to have made connections with such amazing people. All of our favorite memories were so meaningful because of the relationships we formed with the kids. We loved cheering them on and being a part of their acts in the talent show. We loved spending any free time after lunch or after the camp day ended playing soccer games with them. And, most of all, we loved talking with them about their lives. Hearing their stories and learning about their lives showed us how

special Camp Sunshine really is; no matter what the kids and their families have been through, or are going through, each

of them contributes so naturally to the Camp's incredible culture. The positivity that fills each place, each memory, and each person at Camp Sunshine is so unique and important to us. Being able to make the kids happy meant the world to us, but we could have never imagined how happy they would make us. They constantly reminded us of perseverance and gratitude by how they carried themselves. Their kindness towards us and each other, and eagerness to have fun made them so lovable. Being a small part of this wonderful Camp has easily been one of our most rewarding and fun experiences. Volunteering at Camp Sunshine taught us so many crucial life lessons while also being one of the most fulfilling experiences of our lives. We feel so lucky to have met the families there and are so grateful to have been a part of their time at Camp. Making and seeing them happy made our time at Camp some of the best ever.

Camp Sunshine is fortunate to have many wonderful school groups volunteer each year! If you're interested in learning more about bringing a school group to volunteer at an upcoming session, please email Margot at mcosentino@campsunshine.org.

Camp Sunshine honors the memory of Fran Mavko, a cherished volunteer. Fran volunteered for many years in the 1990s. Fran included Camp Sunshine in a generous bequest and we are honored to name Volunteer Suite 9 in her memory. Fran will also be recognized in our Forever Fund—donors who have chosen to include Camp Sunshine in their wills or other planned gifts. These generous planned gifts create a legacy, ensuring that families will be served for generations to come.

Celebrating Our Partner, New Balance!

Camp Sunshine is deeply grateful for the continued support of the New Balance Foundation, whose generosity sponsors a Camp session in perpetuity each year. In 2025, that support brought the Boston Children's Hospital: Solid Organ Transplant session to life. Hosted during the week of August 11–15, 2025, this session provided families facing the extraordinary challenges of organ transplantation a week of connection and joy. Beyond their financial commitment, employees from the New Balance Facility in Norway, Maine volunteered each month throughout 2025, rolling up their sleeves for projects across campus. This kind of sustained, hands-on partnership reflects the very best of what community support can look like, and Camp Sunshine is honored to call New Balance Foundation a steadfast friend in its mission to serve children with life-threatening illnesses and their families.

Thank You, 2025 Volunteers!

where families
find family

There are places where family can be found.

Not just those that share your home, but a different, bigger kind of family, too.

A place where you all find yourselves at the same time, sharing your journey together. A journey that brings you close, and bonds you in ways that only family can.

You will find your family at Camp Sunshine. Old and new.

A family that makes you feel at home, even when you're far away.

Here at Camp Sunshine, we provide hope, joy and community through unique experiences for children with life-threatening illnesses and their families.

With a sense of understanding and comfort that only family can offer.

Comfort that gives you permission to have fun together.

To show off your talents together. Laugh together.

Play together. And make wishes together.

Where a week can connect you for a lifetime.

Where you keep in touch no matter where you are, or how long it's been.

Where the day you leave, you talk about the day you'll come back.

Where you treat each other... well, like family.

Camp Sunshine is a special place where families find joy.

Where families find hope. **Where families find family.**
