2020 Diamond-Blackfan Anemia Camp Information

Thank you for your interest in attending Camp Sunshine. Pages 1–3 of the application are for families to complete. Pages 4–6 are for your hematology/oncology team to complete.

Eligibility Guidelines

- If both parents are unable to attend, a second adult may attend as a support person and should be included on the application.
- Immunization records are required for everyone under 26 years of age.
- Completed applications will be reviewed on a first-come, first-served basis, and should be received at least one month prior to the session start date. (If seeking to apply within one month of the program, please call Camp Sunshine to inquire about availability.)
- Families may attend one session per program year.

Things to Know About Camp

- Meals, lodging, and activities are all provided at no cost to families thanks to the generosity of our donors.
- A pediatric physician is present on-site during all Camp Sunshine sessions.
- Family suites can comfortably sleep 6 and include a private bathroom, heat/AC, a mini-fridge, and microwave oven.
- You will be contacted once your application is processed. Acceptances and other updates will be provided as soon as possible.

Applications may be mailed or faxed to:
Camp Sunshine
35 Acadia Road
Casco, ME 04015
Phone: (207) 655-3800
Fax: (207) 655-3825

2020 Diamond-Blackfan Anemia Application Checklist

Please use the following checklist to ensure that your family's application is complete.

☐ Family Forms
  - Pages 1-3 of the application, to be completed by the parent/legal guardian

☐ Physician Forms
  - Pages 4-6 of the application, to be completed by the DBA Camper's specialist

☐ Immunization Records
  - A complete and up-to-date immunization record must be included for each person under 26 years of age who is applying to attend Camp.
  - For the optimal health and safety of all campers, staff, and volunteers, Camp Sunshine requires that all campers who can receive immunizations meet the age-appropriate immunization schedule as set forth by the Advisory Committee on Immunization Practices (ACIP) of the Centers for Disease Control and Prevention.
  - At a minimum, campers aged 5 years and older should meet the same immunization requirements as those for school-aged children set forth in the State of Maine School Immunization Law (20-A MRSA §§6352-6358):
    - 5 DTaP (4 DTaP if the 4th is given on or after the 4th birthday)
    - 4 Polio (if the 4th dose is given before the 4th birthday, an additional age-appropriate inactivated polio immunization should be given on or after the 4th birthday)
    - 2 MMR (measles, mumps, rubella)
    - 1 Varicella (chickenpox) or reliable history of disease
  - Camp Sunshine also requires that children aged 11 and older receive the meningococcal vaccine and TDaP booster prior to attendance.

☐ Health History Forms
  - A separate Health History form is required for each person (including adults) planning to attend Camp, with the exception of the camper with DBA. The Health History forms do not require a physician signature.

☐ Session Selection
  - Please select three session dates per program year, ranked 1-3 in order of preference, on the first page of the application.
  - After your completed application has been reviewed and approved, you will be notified of your session.
  - In placing families, we take into consideration your preferences, timeliness of your application, session capacity, diagnoses, and group composition. We appreciate your understanding and flexibility as we work to meet the needs of the many families who apply.
A retreat for children with life-threatening illnesses and their families

This authorization shall remain in effect while we are attending Camp Sunshine at Sebago Lake in Casco, Maine.

Parent/Guardian/Other Adult __________________________ Signature __________________________ Date ________

I understand and agree that information disclosed regarding any of the individuals named in this application and related documents may be disclosed or otherwise released to appropriate organizations or individuals (including, but not limited to: members of the Camp Sunshine staff, area hospitals, health care professionals and physicians) in connection with attendance at Camp Sunshine at Sebago Lake, Inc. I hereby confirm that the above information is true and accurate and that once accepted, I agree to update this information as may be requested.

I understand that Camp Sunshine reserves the right to accept or decline any application for any reason.

Parent/Guardian/Other Adult __________________________ Signature __________________________ Date ________
Physician Guidelines for Camp Sunshine

The medical guidelines for patients who wish to attend Camp Sunshine are as follows:

1. Campers are considered medically acceptable to participate in the program if they can be expected to be in good general health at the time of the camp session. Children should not attend camp if they are entering into an anticipated period of significant myelosuppression. We regret that we cannot accommodate patients with renal disease who are on hemodialysis.

2. Campers should undergo laboratory testing, when appropriate, prior to attending camp. A “Late Changes” form is to be sent to Camp 1-3 weeks in advance of the patient’s attendance, noting up-to-date laboratory tests and medication changes.

3. The Physical Examination form must be completed by the camper’s subspecialty team and returned along with the camper’s application.

4. Campers should not require any therapy during Camp other than treatment usually administered by parents, with the exception of methotrexate or colony stimulating factors.

5. Campers should not require any form of special medical care during the week of Camp, e.g. transfusions.

6. Arrangements for laboratory investigations at Camp should be made in advance by the referring physician, or by the parents with the camp physician upon arrival.

7. Children or other susceptible family members who have been exposed to varicella (chickenpox) within three weeks of a camp session cannot attend. In the event that a child or family member has been exposed to herpes zoster (shingles), please contact Camp for further guidance.

8. Children or family members who have received oral polio vaccine within six weeks of a camp session cannot attend.

If a camper does not meet these guidelines, please contact the Camp Sunshine office directly so the situation can be further assessed.

It is the intent of Camp Sunshine to provide respite for your patients and their families with as little medical intervention as possible. A pediatric physician will be present at Camp to provide evaluation of acute problems. No treatment will be offered at Camp other than management of routine childhood illnesses and minor injuries. Transportation will be provided to a nearby medical facility in the event that other treatment is necessary. It is not the intent of Camp Sunshine to provide routine medical care for other family members.

Thank you for helping us to provide a unique respite experience for your patients and their families. It is our expectation that children will be qualified as acceptable for referral by their own treating physicians with the above specifications in mind. Children who do not meet the above guidelines will find it inconvenient to receive needed medical care in this setting and should not be encouraged to attend. Please contact the Family Coordinator with any questions regarding the above or any aspect of medical support available for Camp participants at 207-655-3800 between 8:30am and 4:30pm Monday through Friday.

Please submit a completed application to:
Camp Sunshine
